

Executive Commission Grant Application Form

The Executive Commission is authorized to make grants to congregations for the purpose of keeping our buildings safe and functional, so that we might better serve Christ and our communities through our physical assets. The Executive Commission makes such grants on a rolling basis, subject to budget limitations, and prioritizes the following criteria:

- Emergency repairs needed to make the building safe and usable;
- Modifications to improve accessibility;
- Preventative maintenance and repairs for the building;
- The financial need of the congregation or ministry; and
- The contributions from other sources, including the congregation or ministry itself.

The grant is typically limited to \$7500 per application, unless extenuating circumstances are shown. Application form and endorsement may be completed and submitted online via email to office.snakeriverpresby@gmail.com or by mail to

Snake River Presbytery
